DR. ELMER J. ERICKSON
Principal

The school year of 1951-52 comes to a successful close after ten months of capable leadership under the guidance of Dr. Elmer J. Erickson, principal. The reputation of South Pasadena-San Marino High School continued to be as high as any in the State of California, thanks to Dr. Erickson and the rest of the administrators, including Mr. Laurence Harper, superintendent, and Mr. James R. Carpenter, vice-principal.

Miss Harriet Hardy
Girls' Counselor

Counselor, Miss Harriet Hardy ably advised the Girls' League and counseled many girls. Mr. Robert Dahlberg filled the vacated position of Boys' Counselor left by Mr. Frank Williamson who transferred to Monrovia-Duarte High School. Miss Margaret Lauer, Mr. Edgar Jacobs, and Mr. Bernard Warner capably assisted as student counselors and arranged for the programing of classes.

As result of their fine leadership, the student body was awarded the Sportsmanship Trophy given to the school showing outstanding sportsmanship in the Foothill League. The University of California's "Award of Merit" was presented to the high school honoring former graduates, as further proof of fine teaching and leadership.

For the fourth consecutive year the Iowa Testing Program was administered to all students.

ANSWER OUR QUESTIONS

The purpose of this program is to help students understand their high points and their weaknesses.

As result of the Bond Election held on Tuesday, December 11, 1951, the school year of 1951-52 terminates forty-one years of the Union High School. San Marino joined the five-year-old South Pasadena High School in 1911.

ABOUT THE NATIVE TONGUE

Many new faces were seen in the faculty as the 1951-52 school year got into full swing. The additions and replacements added much to the spirit and enthusiasm of students. Taking over for Mr. Frank Williamson was Mr. Robert Dahlberg, who spent each day combining coaching with counseling. Mr. Harry Gaul came to SP-SM to make students more aware of the dangers of the road via his Driver's Education program.

ABOUT EVENTS OF THE PAST

Pinch-hitting for Mr. Paul Huntington was Mr. Arnold Fletcher who taught U. S. History. Out on the girls' gym field, Miss Helen Graffen filled the position vacated by Miss Donna Mae Halverson, while Mr. John Stallings took over in the attendance office and in the geometry class. Combining counseling with teaching history was Mr. Bernard Warner, and Mr. Gerald Rollins taught his students about two languages—English and Spanish. Newcomer, Mrs. Lora George, gave a course in Civics, which is a semester course now required of all seniors in the State of California. Mr. Arthur Bothe, who taught mathematics passed away during the summer, and Mrs. Marie Ohlson, English and history teacher, was among those who left.

ABOUT TRANSLATIONS AND EQUATIONS

Miss Margaret Lauer continued as head of the English Department, and journeyed by plane to Princeton University in New Jersey on March 14 where she remained a week to mark tests in English composition given by the College Entrance Examination Board. Miss Lauer was the first teacher from SP-SM to be given the honor.

Miss Mary Jo Sowards also traveled by plane to the East. She accompanied Gretchen Koosman to Washington, D. C., where Gretchen's Project, "Molds From Soil" was entered in the Science Fair. They were gone for a week in May. When Miss Lorraine Davis and Mrs. Lucille Linn were unable to continue teaching clothing and typing respectively, Mrs. Annabelle Erickson and Miss Mary Lou Kelly substituted for them for the remainder of the school year.

THOSE WHO LEAD US

This year the "big nine" did a bang up job of running student government! Under the leadership of Commissioner-General, Frank Loffer, who emceed the assemblies with ease and grace, the Commission worked long and hard for the betterment of the student body. Managing A. S. B. sales this year were Janet Olson and Joe Peatman who brought the sales up to 95 per cent. Carole Strahan and Greg Danninger handled the Girls' and Boys' Leagues, respectively, while Jim Knerr kept the students posted on Athletics. Marguerite Addoms recorded the minutes of each Commission meeting and Tom Shepard saw to it that the campus was kept clean. Publicizing school activities was Ronnie Mardigan who kept the communities well informed via the newspapers.

Raising money for the A. S. B. funds the Commission sponsored a novelty program in the form of the "Fire House Five Plus Two." The dixieland band played to a packed auditorium on February 18, thrilling its listeners with renditions of typical old dixieland. The "Queen of Hearts Ball", held on October 20 saw the crowning of the football queen, as the Commissioners presented their annual fall dance.

Busy, ambitious, hard-working – the 1951-52 Commission!

The Commission: Seated; Olson, Logan, Sheppard, Strahan, Loffer, Martell, Lewis, Peatman, Black. Standing; Mott, Fetlham, Knerr, Pentz, Danninger, Mardigian, Huston.

THOSE WHO

The Boys' League

Led by Commissioner of Boys, Greg Danninger, the Boys' League saw a successful year during '51-52. Biggest event, perhaps, was the presentation of Golden Gloves, held for the first time in two years. The enthusiasm was high as the contenders entered the ring one night in March.

Another of the year's highlights was the "Yuletide Yump", held during the Christmas season. The Boys' League and the Cabinet worked hard to make it one of the year's best.

The League continued to meet in committees — a program that was incorporated last year. Assisting Greg were Wells Martell, vice-president; Howell Cotten, secretary; and Bob Tuller, treasurer.

GUIDE US

The Girls' League

This year the Girls' League proved to be a whopping success! Under the guidance of Carole Strahan, president, and Miss Harriet Hardy, Girls' Counselor, the first event was the New Girls' Party.

Next on the agenda was "Sea Shell Swirl," the annual Girls' League Dance. Career Day aided members of the student body in choosing a vocation, while May Day was one of the most successful ever held. The sophomore, junior, and senior class teas were handled by class representatives, and the annual Girls' League picnic, held at Arroyo Seco, provided fun and food for everyone.

Officers for the year 1951-52 were Carole, Sally Logan, vice-president; Timmie Getchell, secretary; and Mary Jo Nelson, treasurer.

E. H. CROOK

"Get that page in!" So went the cry as time after time the Copa Staff found itself behind schedule. After getting off to a slow start, the Staff planned the dummy, the pictures were taken, and production started. The art editors, Dixie Livingston and Linda Williams, turned out exceptional division pages and end sheets, while Miss Hester Lauman supervised. Linda Ruddy worked long and hard on scheduling the juniors and seniors for their photographs. Alex Robertson lined up the faculty and helped all the other sections, while Don King worried over the Copa's finances. Joan Larson saw to it that the junior and senior panels were pasted up for the Classes section, and Karlin Hansen labored many hours over Organizations. Advertising was handled by Diane Carlson, and Jack Ferron was in charge of Athletics. Jackie Hitzker supervised the popular school life section, and photography for the book was managed by Ronnie Mardigian with the assistance of Harold Garb. Mr. E. H. Crook, adviser, and Mary Stratton, editor, acted as overseers. Up to their necks in work but sharing many good times together—the 1952 Copa de Oro staff members.

CLASS OF 1952

Members of the class of 1952 will have many pleasant things to put in their memory books. The first picture might be of the first assembly when they proudly walked down the aisle to take their places in front and wore for the first time their blue senior sweaters with the white numerals. On the following pages will be reminders of such things as the junior-senior prom, held at the Glendale Civic, the riotous senior play, "Dear Ruth", and the much looked forward to graduation ceremonies. Some other events always to be remembered are the senior mothers' tea, the fun of senior ditch day, the senior breakfast, and the farewell assembly. Leading the class throughout the year were Dan Feltham, president; Don King, vice president; Patti McMartin, secretary; Dennis Smith, treasurer; and Miss Helen Reese, adviser.

The class of 1952 made it's mark upon the school, also, by winning first place with it's Christmas booth, and by having a Zone V winner in Bank of America's Annual Achievement Awards program, Romita Rose.

CLASS OF 1953

Looking back over the past school year, the class of '53 finds many achievements of which to be proud, such as winning second place in the annual Christmas booth contest. Nancy Banta supervised the erection of the picturesque yule scene.

This year the juniors have chosen navy blue for their senior sweaters and a numeral was designed by Helen Mackie. The junior mothers' tea, under the direction of Beth Linsenbard was carried out on a Valentine's Day theme, and of course the excitement was great during the commission elections.

Junior leaders this year were: George Tuerk, president; Mont McMillen, vice-president, Beth Linsenbard, secretary, Sue McGovern, treasurer.

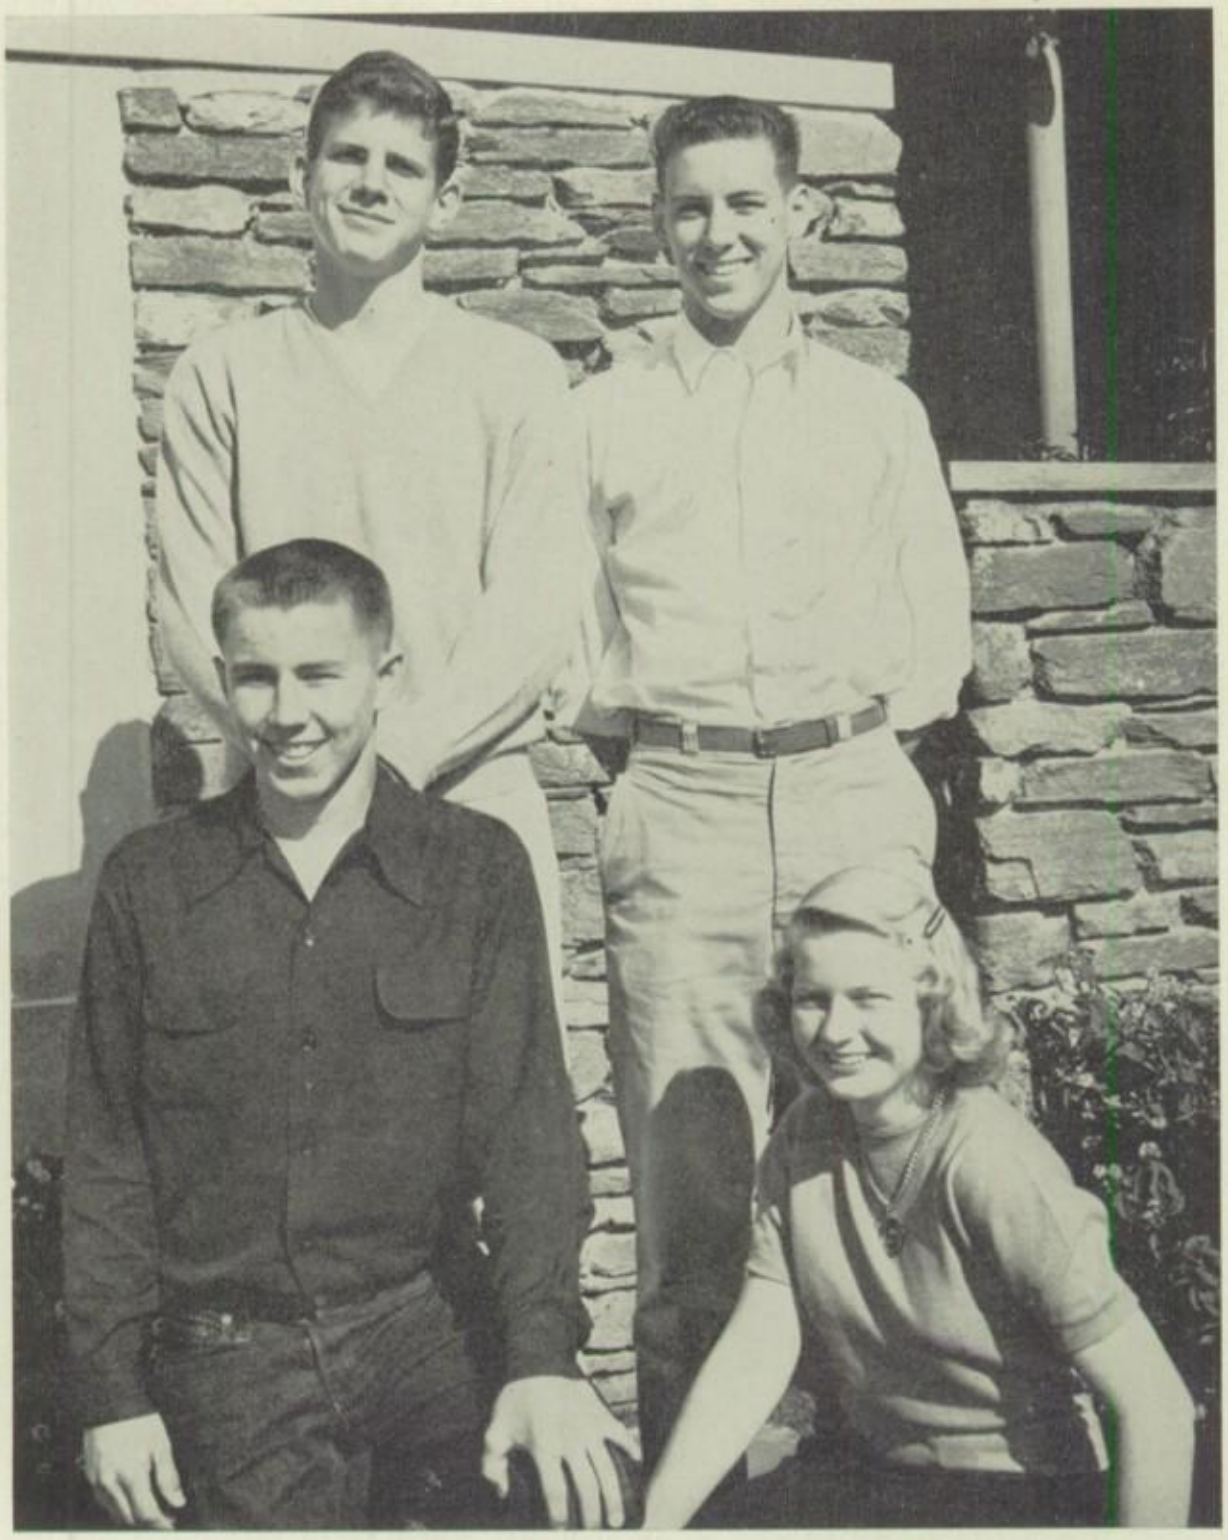
JOAN RUSSELL

Although she is no longer among us, we feel that we have not lost her for her spirit, her courage, and her beautiful personality remain with us. Her determination and her accomplishments in the face of handicap and tragedy serve as a shining example to all of us.

In school Joan took part in numerous activities. She was a member of the Circle Tri-Y, Tigerettes, Bambinos, and the Spanish Club. Her associations with her friends in these groups were dear to her. She will always be with us in fond memories.



SOPHOMORE CLASS OFFICERS: Kneeling, Dave Ericson, treasurer; Sue Patten, secretary. Standing, King Kirk, vice-president; John Mott, president.

CLASS OF 1954

Leading the very spirited sophomore class this year were John Mott, president, King Kirk, vice-president, Sue Patten, secretary, and Dave Ericson, treasurer. The class of '54 started out the year with the annual sophomore tea. The program was highly successful under the leadership of its chairman, Sue Patten, and her assistants, Diane Davis, Cynthia Peterson, Rosalie Butterfield, and Jere Patten. The program featured Ann Mills on the acordian and Jean McCloskey at the piano.

An English theme for their Christmas booth awarded the sophomores third place. Giving time to this project were John Mott, Adrienne Lamborne, Donna Schultz, and Cynthia Holloman. It depicted a chapel scene with choir boys marching toward the minister.

One of the sophomore class's important annual functions came at the last of the year when they decorated the stands for the graduation exercises.

Final deadline, Monday night! Presses ready to roll on the inside pages Tuesday afternoon!

Headlines, copy, page dummies, editorials—all passed through the hands of Priscilla Sroufe, TIGER editor-in-chief, and Mr. E. H. Crook, staff adviser, to the page heads. Organizing and planning first page were co-editors Peggy Mortimer and Charles Loos, while Diane Hart and Alan Jordan handled humor and feature articles which weekly appeared on second page. Editoring third page was Anne Constant and sports page was taken care of by Bill Foote. Staff photographer for the year was Ronnie Mardigian assisted by Harold Garb, while Dennis Smith handled the business and advertising end of the TIGER. Circulating and mailing all the issues were Sally Ryons and Sally Ayres.

Digging up material and writing the majority of the stories for the staff were the members of Mr. Crook's journalism class more commonly known as "the cubs."

Compromising the Quill and Scroll, honorary journalism club were a majority of the members of both the paper and annual staffs and the cubs. Membership is open to all those having a "2" average or above. Mary Stratton was president with Charles Loos serving as vice-president and Judie Barnes as secretary-treasurer.

Strengthening and maintaining the tremendous spirit of South Pasadena is the primary function of the Pep Association. Assisting him were the cheer and song leaders, Janet Olson, Commissioner of Activities; Jim Knerr, commissioner of Athletics; Arlene Club, head Tigerette; and John Huffman, president of the band. Much of the work involved the half-time activities at the football games. Entertaining the crowds with their original routines and maneuvers were the band, under the direction of Mr. R. Wm. Graham; the Flag Girls, the Majorettes, and the Tigerettes, now in their fourth year. These groups added a great deal of pep and spirit to the school and are appreciated for their fine work.

Parties and trips highlighted the activities of the Tiger Eyes, which is a nature club organized to acquaint students with the wonders of their environment. A Christmas party was held at the home of Mary Stratton on December 27. On Saint Patrick's Day the club held a "Chlorophyll" pot-luck supper at Romita Rose's with each guest wearing green and bringing food colored green. In May the club journeyed to the beach home of Carole Strahan in Capistrano for a weekend. Selling cotton candy on May Day was another important Tiger Eye activity.

Highlights of the year were trips to Walt Disney's Studio and Orrin White's Studio. Miss Gearhart from USC lectured to the club during one of their afternoon meetings. A sketching party combined with a potluck dinner was held in May. The purpose of the club is to "enrich experiences in art and to give opportunities to do things with art that connot be done during class time". Leading the fifty members were Veronica McLaughlin, president; Ann Evans, vice-president; Jackie Kehlet, treasurer; and Hope Phelan, secretary.

Frank Lammadee and Eloise Taylor quarrel constantly in their portrayal of a young married couple in "The Wedding", presented by the Cloak and Dagger.

CLOAK AND DAGGER

Under the guidance of Mr. Richard O. Wilson, the Cloak and Dagger had a busied and varied year. To fulfill the purpose of working together as a club in serving the school, the members participated in the Christmas assembly and entertained the student body with two one-act plays, "The Wedding", and "The Honeymoon Is Over." The first concerned the confusion and difficulties that can occur at a wedding, while the second revealed the same couple several months later. Taking leading roles were Eloise Taylor and Frank Lammadee. The cast also included Bronson Berlin, Charles Buck, Sally Phillips, Dick Kirtland, and Sunny Everett. Linda Ruddy was the student director. One-act plays were also given at the monthly meetings. To better appreciate various phases of drama, the club went on several theater parties, attending the Pasadena Playhouse and the Sartu Theater in Hollywood. Officers for the year were Bryan Sutton, president; Judy Johnson, vice-president; Sunny Everett, secretary; and Chuck Dickerson, treasurer. The year ended with the installation of new officers.

The members entertained several local organizations in addition to their annual recital, given in January.

Highlighting an active year for the band was the "Interplanetary Hop," given in May. It featured the continuous music of four bands composed of band members. The band also performed at school dances and the senior play. The annual assembly was very successful, and was given for the P-TA and other schools in the district. Mr. R. William Graham was the director, and the officers were John Huffman, president; Chuck Sharpe, vice-president; Tom Twist, secretary; and Carol Hiemke, librarian.

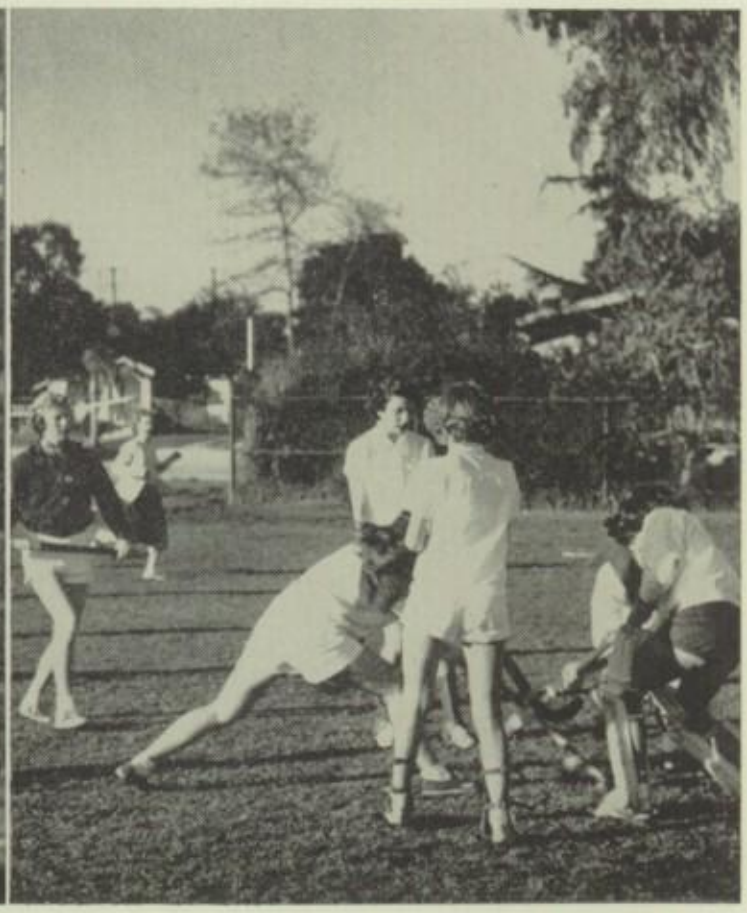
GIRLS' SPORTS

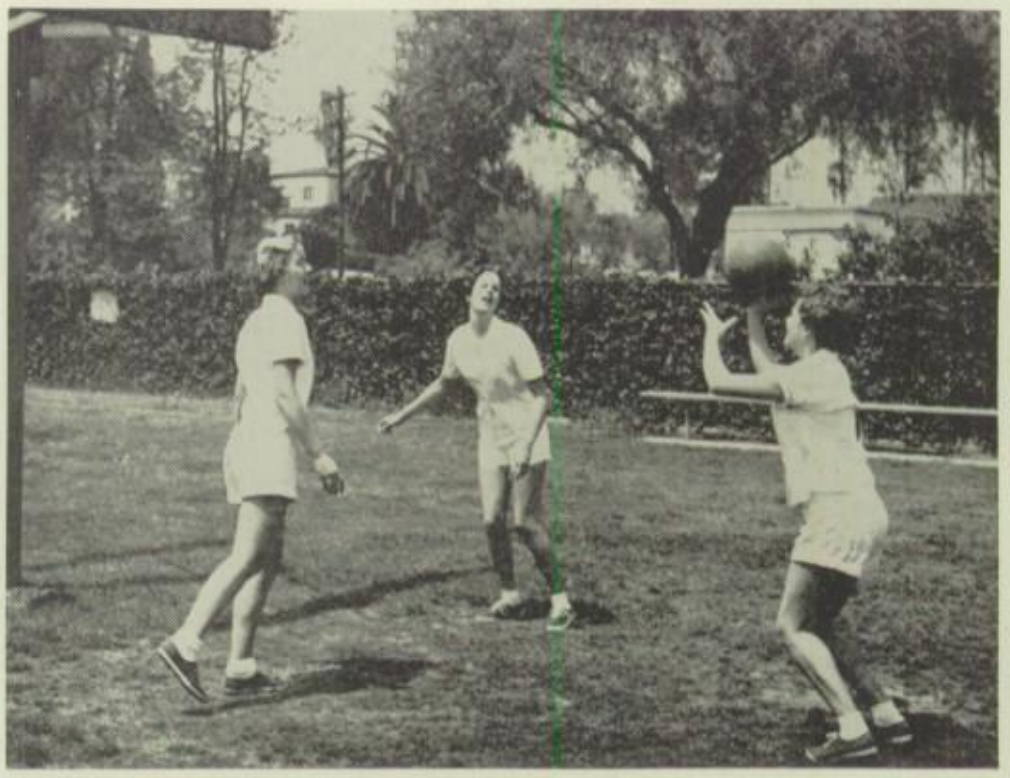
Jackie Hitzker hits one over in the opening sport of the year, volleyball.



Hockey is the highly anticipated sport of the year.

South Pasadena played host this year to a playday which included girls from Burbank, Glendale, and Whittier. Held December 3, the activities began with registration at 1:15. A talent assembly followed with dances and singing. Yell leaders from the different schools led the group in yells and songs. Sharon Heaton, chairman of the Girls' League Sports Committee, was chairman for the day.

The sports events included basketball, baseball, badminton, ping-pong, tennis, volleyball, speedball, and hockey. South Pasadena won all of the events with Burbank and Whittier placing second and third respectively. The victorious afternoon was ended by refreshments served in the cafeteria.



Erin Doyle attempts a free shot as Sarah Ballard and Pat Simmonds look on.

Opening the girls' sport season each year is volleyball, always enthusiastically anticipated by everyone. After the election of captains and the choosing of teams, Judie Barnes and her sixth period team emerged victorious over the others and won the honor of playing the faculty. The girls won this encounter, 40-29.

Next on the sports agenda was speedball, followed by hockey. Each quarter brought a different sport, but tennis, badminton, and modern dance were offered during the entire year. The final sports of the year were basketball and baseball. During the baseball season eleven girls from each period volunteered for teams that would hold after school play-offs.

Miss Helen Graffen and Miss Vivian Atherton worked together in planning and supervising the daily physical education program.

Softball climaxes the girls' sports season.

MODERN DANCE

Modern dance, although a newcomer to the physical education curriculm, has already established a solid place as a regular activity at South Pas. Under the direction of Mrs. Murietta Schick, the beginning and advanced classes danced every Monday and Wednesday. As part of their work the advanced group presented two numbers in the annual Christmas assembly.

In their dance in the Christmas program, the girls presented "Panis Angelicas", in which they portrayed a very dramatic religious mood. Fun in the snow was depicted in the second number, "Sleigh Bells". The latter was a lively dance in which the girls wore tiny bells on the hems of their skaters' costumes for a more realistic effect. Approximately thirty-eight girls participated in this program.

In addition to teaching the basic steps and techniques of dancing, modern dance offers an excellent opportunity for developing personal and rhythmic expression. From now on Modern Dance will be presented as a regular course in the physical education program, and every girl will be given an opportunity to take part in this new phase of physical education if she so wishes.

Mrs. Schick finds time from her job of raising three children now in elementary school to instruct the classes twice a week. She graduated from Santa Barbara State College where she majored in dance. Her teaching experience has been at Bakersfield, and she has done substitute work in the Pasadena Schools area. Mrs. Schick is pleased with the good material she has had to work with this year, and likes the enthusiasm shown by her classes.

Led by speed burner Wells Martell, the South Pasadena Tigers successfully opened the defense of their Foothill League Crown with a 15-7 victory over the Glendale Dynamiters. Martell ran through, over, and around the Glendale defense as he amassed a grand total of 172 yards, or 13.2 yards per carry.

The Dynamiters drew first blood early in the opening canto on an intercepted Cotten aerial and three line plunges. In the second stanza, Martell shifted into high and ripped off thirty-seven yards through the line for a Tiger TD. Stringer's conversion attempt was wide and the half ended with Glendale leading 7-6.

Forced to punt as the second half opened, the Dynos were rudely awakened when Martell scored again two plays later. Stringer converted and the Bengals led 13-7.

The only other score of the game came in the fourth quarter as the Tiger line turned to stone and dropped a Glendale back in his own end zone for a safety and two points.

BURBANK

Aided by four timely Tiger fumbles, the Bulldogs from over Burbank way managed to slip by the Dahlbergmen 7-6 in a slow-moving game. This was the first league loss absorbed by the Bengals and one which they literally gave away.

Although the Tigers scored first on a fourth down, twenty-two yard pass play from Cotten to Martell, it was to no avail as Stringer's kick was blocked and the Burbankers came roaring back to score seven points following the ensuing kick-off.

Espee lost two golden opportunities to score again in the first half, when Tiger backs dropped the slippery ball deep in Burbank territory. The second half opened with another SP fumble and the tilt see-sawed back and forth from there with both teams making a desperate bid to score in the dying seconds.

Coach Alvin Hutchinson's Burroughs Indians killed all hopes for the Tiger's third straight championship as they spilled the Orange and Black, 23-6. It was the second loss in a row for the pigskinners and was enough to drop them from title contention.

Things looked promising for the first three quarters of play as the Tigers held a 6-3 advantage on a Cotten to Martel overhead in the first period. The fourth quarter was a different story, however, as the Indians scored practically at will. They scored on two pass plays—one good for forty yards and the other for twenty-four—and a sixty-five yard run-back of an intercepted pass.

In their fourth league tilt the Tigers came to life as they tied a much favored Hoover eleven 13-13. Ken Kiesler played a superb game at halfback, powering his way for large gains. Bill Foote, caught both of Howell's touchdown tosses. On defense the Tigers were very reluctant to give up yards. Dave Stringer, Dennie Levine, and Paul Hyland played well in backing up the line.

Coach Bob Dahlberg's pigskinners closed out a disastrous season with their third league loss in five outings as the Muir Colts decisioned the Bengals 18-9. Howell Cotten starred for the Tigers, racking up 144 yards running and 33 passing.

Muir scored first, late in the opening period, but fell behind as an early third quarter drive and a fourth stanza safety resulted in nine points for the Orange and Black.

As they so often do, the ball game busted wide open in the closing minutes as Muir scored twice—once on a 70 yard pass play and a gain on an intercepted Tiger overhead and six quick scrimmage plays.

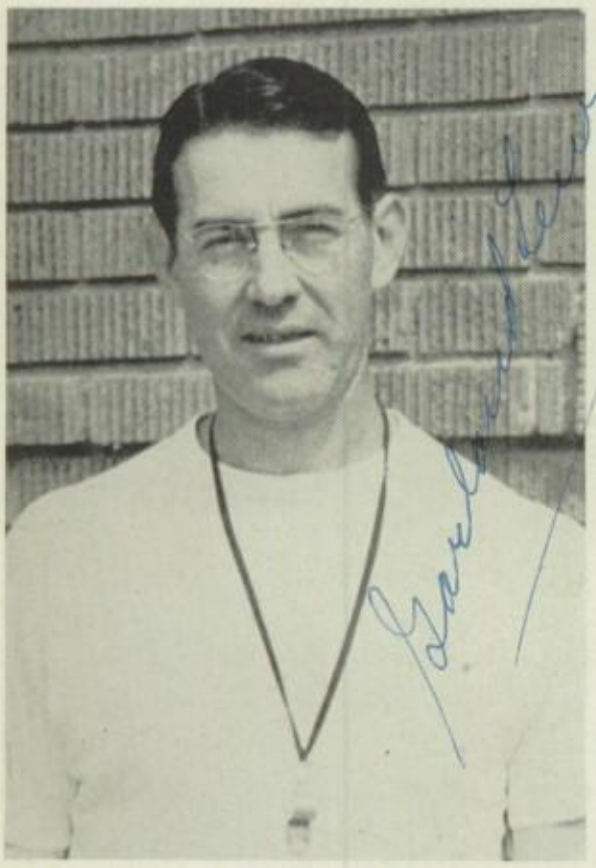
BEE FOOTBALL



Coach C. GARLAND LEWIS

Although they displayed a lot of scoring punch and great potentiality in practice games Coach C. Garland Lewis' Bee pig-skinners could do no better than win 2 out of 5 league games this year.

The Kittens went into league play with high hopes after mashing El Monte 18-6, Fullerton 33-0, and Monrovia 31-7, but these were quickly dashed as the Glendale Nitros nosed out the Lewismen in the opener, 19-13. Burbank triumphed 24-6 and Burroughs rang the bell with 26-7 victory.

A last minute td enabled the Tigers to squeeze by Hoover 12-6 and they showed practice season form in mauling Muir 33-19.

The Tigerkits were sparked by the consistent pass combination of Lorenz and Lashbrook and the stalwart line play of Jim Mercer.

VARSITY BASKETBALL

Coach C. MERRILL GREEN and
Captain KEN KIESLER

After a disappointing practice season in which they managed to won only 2 out of 9 games Coach C. Merril Green's Varsity cagers came back to win their second straight Foothill League Title with an impressive 7 and 3 record. The Tigers opened the defense of their Crown by absorbing a 41-39 loss at the hands of the Glendale Dynamiters. A heart-breaking 51-50 defeat by Burbank momentarily dimmed Bengal hopes, but picking themselves up off the floor the casabe crew shellacked Burroughs 50-49, Hoover 50-47, and Muir 49-46 to end round one.

The Tigers continued their winning ways as the second round opened by downing Glendale 54-51. The Burbank Bulldogs provided the Greenmen with their only other league loss as they romped to a 58-43 victory. Fighting back the Espee roundballers scalped Burrough 48-47 and then gained the league lead with a brilliant 45-39 win over the Hoover Tornadoes. From there the Tigers went on to cinch the championship by dropping Muir 64-54 despite the 32 point effort of the Colts' Gordon Figard.

After winning the loop title the Tigers were unable to duplicate the performance of last year's squad as they were beaten by a determined Ventura team 50-49 in the quarter-finals of the CIF play-offs, in the last minute of play.

Coach Green had three of the boys placed on the All-Foothill League team. Star sophomore forward Ron Wheatcroft made the first team while center Art Pizzinat and guard Rick Ells copped second team honors. Wheatcroft was awarded the most valuable player award given by the Junior Chamber of Commerce.

VARSITY BASKETBALL. FIRST ROW: Colwell, Mooney, Wheatcroft, Kiesler, McDowell, Loos, Paris. 2ND ROW: Elvander, George, Ells, Pizzinat, Skaer, Thomas, McQueen, Tompkins, Knerr, Coach Green, Gerhart.

BEE BASKETBALL

BEE BASKETBALL. FIRST ROW: Connelly, Stringer, Mercer, Hemphill, R. Myers, Armstrong, Cambell, Devore. 2ND ROW: Coach C. Garland Lewis, Angus, B. Myers, Gentry, Biszantz, Tibbetts, Biggar.

Most valuable player, Bob Myers, and Coach C. Garland Lewis displaying the consolation trophy which the Bees won at the Foothill League Tourney.

Although they racked up an impressive 7 and 1 record in the practice season and annexed the consolation title at the Foothill League Tourney, Coach C. Garland Lewis' Bees were unable to keep up the pace in stiff league competition, but managed to salvage second place as three teams—Burbank, Burroughs, and Glendale—tied for the championship.

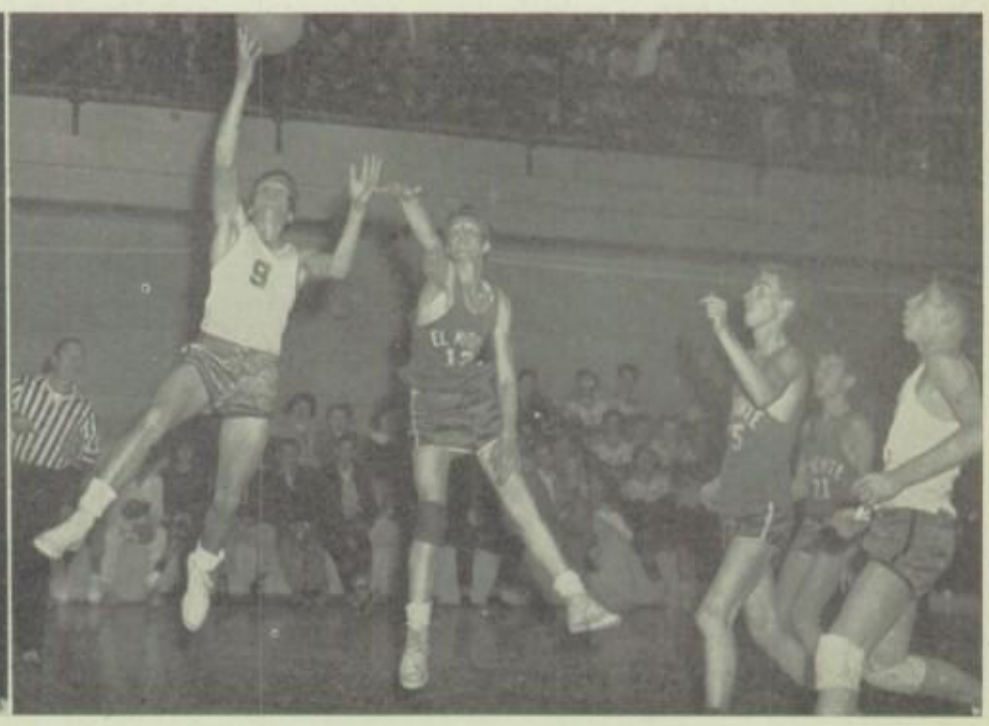
In their initial league tilt the Kittens dropped a 38-36 decision to the Glendale Nitros. From there the sledding was equally as difficult as they defeated Burbank 50-43 only to be swamped 61-52 by Burroughs. Inferior Hoover and Muir clubs were beaten 50-39 and 43-42 respectively.

Round two opened with Glendale repeating over the Lewismen 37-35. Burbank and Burroughs made it three straight, 49-39 and 57-51. Fighting back, the Bee cagers closed out the 1951-'52 season with wins over Hoover, 38-33, and Muir 39-35.

Bob Myers, high scoring center, was honored on the All-League team, while Gary Biszantz won honorable mention.

Coached, this year, by Bob Dahlberg and led by high scorer Roger Pillow the mighty Cees wound up their season with a 3 and 4 record, capturing third in Foothill League competition.

Gary Biszantz is all alone as he prepares to lay one up against Burbank. The Lewismen handed the Dogs a 53-40 loss in this tiff.



Roy Myers drives around a desperate El Monte man to score as Bob Myers awaits the possible rebound. The Kittens won 53-41.

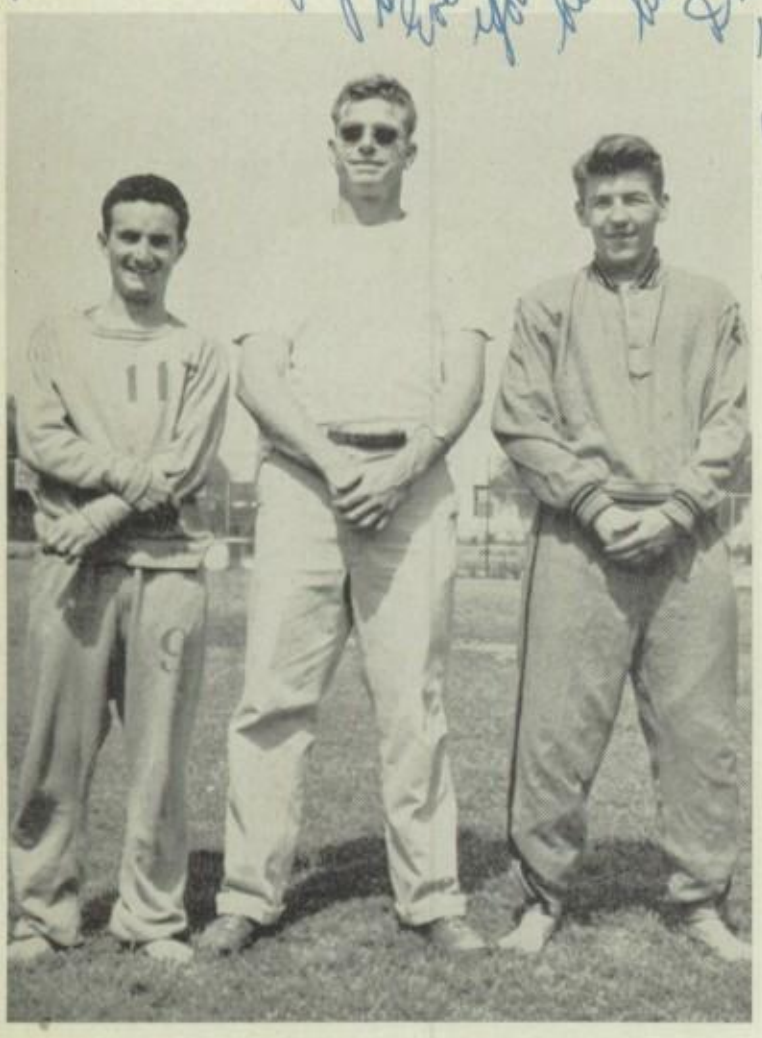
VARSITY TRACK



Coach Jim Eacutt shown with his two record breakers, Billy Ducette and Dick Woods. Ducette lowered the Cee hundred mark from 10.4 to 10.3 while Woods skimmed the 120 highs in 15.4 to better the old barrier record by a tenth of a second.

Enjoying a very successful season highlighted by a victory over Glendale for the first time in ten years were Coach Jim Eacutt's Varsity tracksters. After dumping Loyola 68½ to 35½ in a practice meet the Bengals went on to whitewash Burroughs 71-33 and Glendale 67¼ to 46¾ before Burbank topped them 64½ to 39½. The championship Hoover Tornadoes were pushed to the limit and forced to win the relay before the Eacuttmen succumbed 55 ½ to 48½. Closing out the league the Tigers annihilated Muir 76 to 28.

Turning in outstanding performances this year were Ted Polich with a 53 ft. 4½ in. heave in the shot put, Ken Kiesler with a 21 ft. leap in the broad jump and a 5 ft. 10 in. effort in the high jump. Chuck Buck soared 11 ft. 6 in. in the pole vault while Lew Beery turned in a 10.3 century. Dick Woods topped all varsity performers with his record-breaking 15:4 stint in the high timbers. Bob Myers was a consistent point getter in the varsity 440. The only member of this year's varsity to compete in the CIF finals was Ted Polich.

It's been swell knowing you
this track season, I hope you
go real far next year.
Jim Lashbrook

CEE TRACK

Coach Eacutt fielded one of the finest Cee teams in many a year even though they didn't win the league. They won two out of four meets while losing the other two by comparatively close scores.

Billy Ducette set a new Foothill League record in the 100 yard dash in the time of 10.3s. Jud Prather also set a record (the 120 low hurdles in 14.4) but his was a school record. Other outstanding Cee men were John Fopiano in the 180 yard dash and Dick Cederquist and Roger Chilton in the 660. In the field events it was Dick Goodlake in the high jump and pole vault, Fopiano in the broad jump, and Prather at the shot put. The relay team was outstanding enough to reach the finals in the CIF track and field meet.

BEE TRACK

This year the Bee tracksters sported better than average talent, but wound up with a record of one win and four losses due to unusually tough league competition. Jim Lashbrook and Buddy Melkesian ran the seventy-yard high hurdles with Gary Hill on the high jumps. Ritchie White, Ron Phillips and Paul Colwell contended in shot put events and Paul Ishikawa and John White in broad jump competition. Many others gave strong support to the team, and at the time of this writing Bob Myers was in the finals of the CIF playoffs in the 660.

The cross country team led by Captain Warren Howell had a better than average season in winning four and losing three. In the Glendale meet Warren broke the school record in this event with a sensational time of 9:02.6.

VARSITY BASEBALL

Even with seven returning lettermen Coach C. Merril Green's Varsity baseball team could no better than finish third in Foothill League play this year as the Muir Colts coped the coveted crown for the first time since joining the league.

The Greenmen started off with an unimpressive practice season, winning only four out of eight. One of these losses was a 4-1 defeat at the hands of the San Diego Cavemen, one of the top teams in the CIF, in the Pomona Tournament.

This year's league was tough, as usual, and a few bad days in the field were enough to put the Tigers out of contention as they wound up with a five and five slate.

Pitching fine ball for the Bengals were Brooks Hughes, a senior, and Phil Bell, a junior, who will return next year. Jim Knerr won the Junior Chamber of Commerce sponsored batting championship trophy, turning in a .365 average. Besides Bell, monogram winners Denny Walker, Jim Lorenz, and Darold Klien will return next year. Due to illness, Neil Flora, who divided his time between the outfield and shortstop, were not photographed.

In contention for the league championship until their last game were Coach C. Garland Lewis' Jayvee horsehiders. Although they fielded an inexperienced team the Jayvees were soon to make it known that they were not pushovers as they ground out victories over Glendale, Hoover, and Burroughs while losing to Burbank in their quest of the league title.

With said crown riding on every pitch the Lewismen were eliminated by the Muir Colts 6-4 in a free-scoring contest, thereby closing out the season in second place.

Leading Lewis' larrupers were hurler Mike Coffy, first baseman Don Loftis, third baseman George Minard, shortstop Richard Stunek, and outfielders Bardon Maginnis and Roger Bunting.

The South Pasadena Jayvee tennis team continued to dominate the Foothill League with impressive wins over all opposition. With such outstanding performers as Temp Berdan and Bob Harrington alternating at first singles and Mick McIntyre and John Huston in the doubles leading the way, Swart's swatters downed such top-notch teams as Alhambra, Whittier, Mark Keppel, and Monrovia.

Filling out the rest of the squad were Hayward Hawke, John Parker, Tony Brooks, Ed Cotten, and Bob Andrews.

Coach Harry Swart and Captain Bill Cranston

Coach Harry Swart's Varsity tennis team again breezed through all Foothill League competition to wrap up its twenty-fifth loop title. This marked the twenty-fifth time in tweny-seven years hat the Tigers have done so. This year the racquetmen had won eighteen out of twenty matches at the time of this writing, losing only to El Monte 5-4 and USC 5-4 in practice matches. Thirteen of the eighteen wins were shutouts, eight in league play. Credit for this outstanding record goes to Coach Harry Swart, whose splendid coaching achievements in tennis are unparalleled in high school ranks.

Besides taking the league championship the Bengal pilldusters stand a good chance of taking the CIF crown, Beverly Hills being the only team in their way. Leading the squad this year were three year monogram winners Bill Cranston, Ray Pentz, Tom Peterson, Bill Foote, Art Pizzinat, and Gene Barnes. Returning next year will be Jamie Sobieski, a junior, and talent loaded sophomores including John Cranston, Jim Wilson, Harold Couch and Greg Grant.

GOLDEN GLOVES

The seventh annual Golden Gloves was climaxed with the crowning of seven champions. Greg Danninger led the Boys' League in sponsoring this exciting event. After the four preliminary bouts and the two semi-final matches were fought, the finalists were matched on Saturday night. Starting off quickly, Billy Servan took Mike Marr in the flyweight match in half a minute. Tom Clark lost to Dan Stringer, a featherweight, in the closest decision of the tournament. Coming to the middleweight division, Bill Foote won the fight over Denny Levine.

Since South Pasadena has only one light-heavyweight, Bill Ungles, a no-decision exhibition bout was held with Gordon Ileis, a student at PCC. The semi-main event decided the lightweight division with two good boxers, Russ Morgan and Craig Cunningham. Russ Morgan outfought Craig to win the decision. Ending the blood-curdling tournament was the heavyweight match featuring Dave Stringer who won a decision over Kevin Keyes.

FRIDAYS TO REMEMBER

An assembly featuring school talent is always popular. This year the students enjoyed the Colwell Trio consisting of Steve, Paul, and Ralph. Paul, a junior at South Pasadena, played the mandolin and the banjo.

The Red Cross Council sponsored an assembly featuring Miss Evelyn Burwell, a talented entertainer.

Patty Bliss helped Mr. Mason play "God Bless America" during the Mason Swiss Bell Ringer's Assembly. The novelty instruments played by Mr. and Mrs. Mason without Patty's help were the Swiss hand bells and the triple octave chimes.

Thanksgiving Assembly put on by the Hi-Y and the Tri-Hi-Y's was a quartet including Spencer Neilsen, Ed Harper, Bill Evans, and Don Saffit. The assembly climaxing Religious Emphasis Week also featured two young speakers.

Mr. H. Manning was the chairman for the interesting assembly put on by the Pacific Telephone Company. In the picture some of the boys help show a different way of conducting electricity.

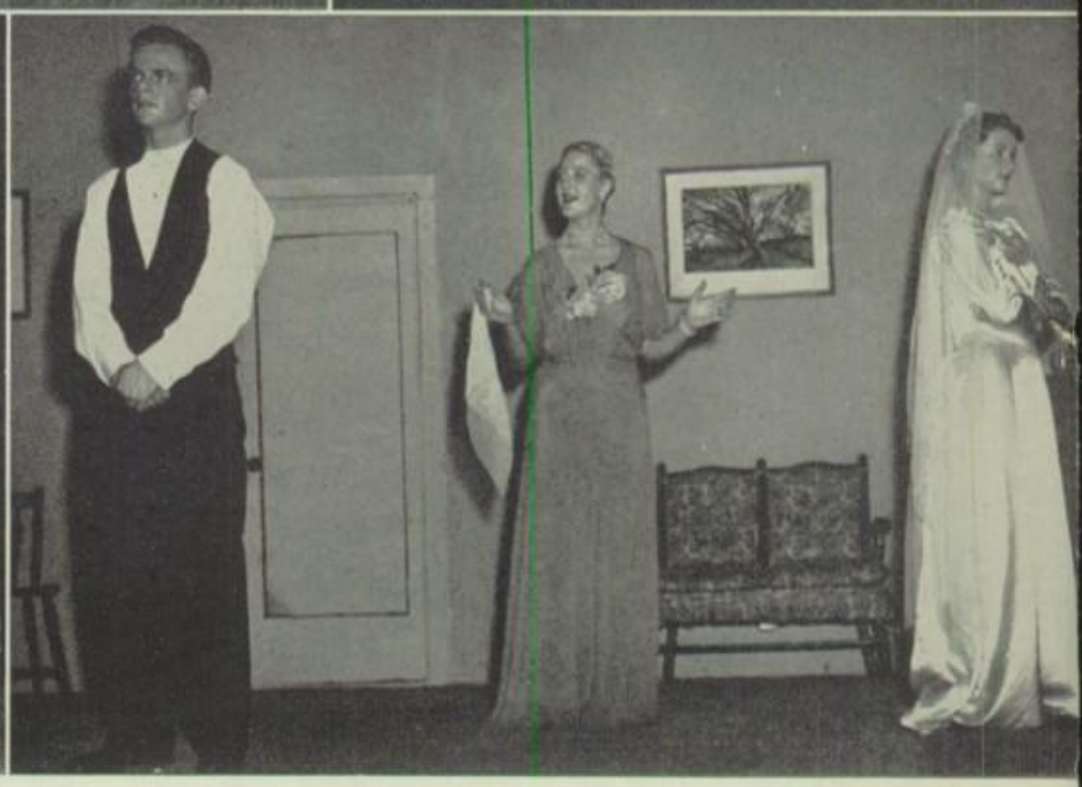
Dick Sands and Natale DeThomas present a skit advertising the Boys' League Dance.

The Song of Christmas was dramatized by five charming tableaux. The final tableau was the portrayal of the wise men worshiping the baby, Jesus. A modern dance expressed the beauty of the Chtristmas season.

MIDDLE, LEFT: To earn money for the blind, two sightless entertainers came to South Pasadena. They played unusual pieces on the organ and they sang.

MIDDLE, RIGHT: Rosy MacHargue's Jazz Assembly is a well-remembered one. It was especially enjoyed by the dixieland fans.

Buzz Ragatz, commissioner-general in 1951, came back to give his fascinating magic assembly. Here he is shown mystifying the students with his magic rings.



"The Wedding" was a delightful comedy put on by the Cloak and Dagger Club. In the picture are Frank Lamadee, Sunny Everett, and Eloise Taylor.

HELLO DAY

"Guess It or You're Sunk" was the theme of the annual Hello Day Assembly held in October. The theme of truth or consequences was introduced in 1950 and has become a traditional idea. Susan Hill and her courtesy committee of the Girls' League were in charge of the assembly. In the top picture Greg Danninger as master of ceremonies watches Natale DeThomas' reaction to the word, love. Of course, having the chair wired might have had something to do with it.

In the right hand picture of the top line, Rosalie Butterfield and Tom Sheppard pay their consequence for not answering the questions.

The middle picture shows the new song leaders, Rick Ells and John Wall, leading the students in the "Tiger War Chant."

Fred Turek's splendid technique in egg rolling is seen in the bottom picture. Everyone was sorry to have to leave such a wonderful assembly.

A long awaited assembly is the Band Assembly. Chuck Buck and Mr. Graham, the band director, went Western to sing a few ballads. The dixie-land fans certainly enjoyed the band's jazz group shown below.

MIDDLE, LEFT: A regular and exciting part of many assemblies is the cheers and songs.

A special event this year was the Fire House Five Plus Concert which was sponsored by the school clubs.

MAY DAY

Happily the girls throw out their navy blue skirts and arrive at school in colorful cottons. Every club sponsors a booth that either sells food or offers a challenge for some skill. The top picture shows the Cloak and Dagger Booth in the process of being gayly decorated.

LOWER, LEFT: The students wander around with balloons and food.

LOWER, RIGHT: Some time during the extended noon hour they always appear at the popular hot dog stand.

LIFE AT SCHOOL

TOP, LEFT: The first day of school is a mixture of happiness and sadness. Most of the crowd is back bemoaning the fact, but secretly glad to see all the old friends again. The Bengals try to help everyone get started.

TOP, RIGHT: The "big sisters" put on a party for the new girls at school. This party featured the traditional fashion show. Here Donna Hoffman models.

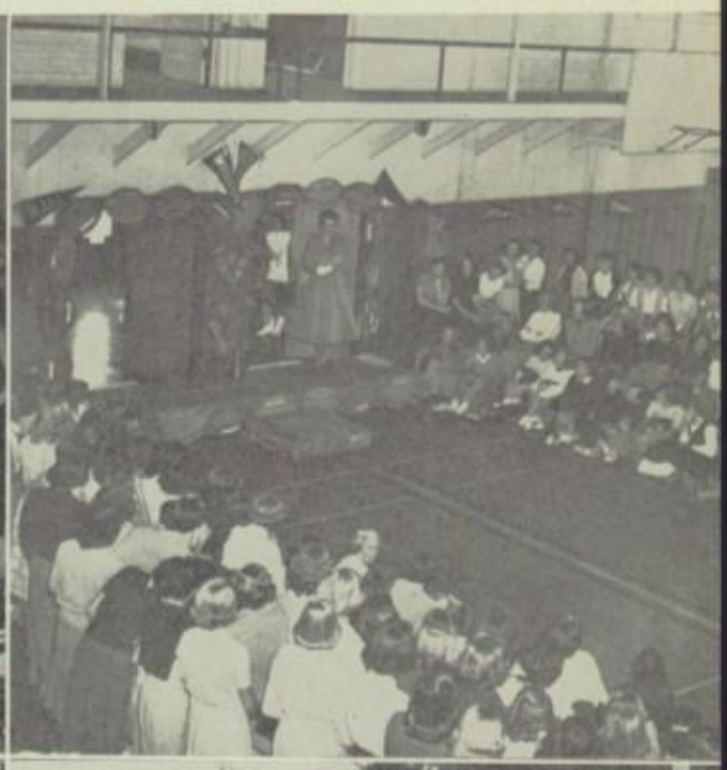
MIDDLE, LEFT: For many years students have ridden the familiar "Special" to school, but the advent of buses has made this a thing of the past.

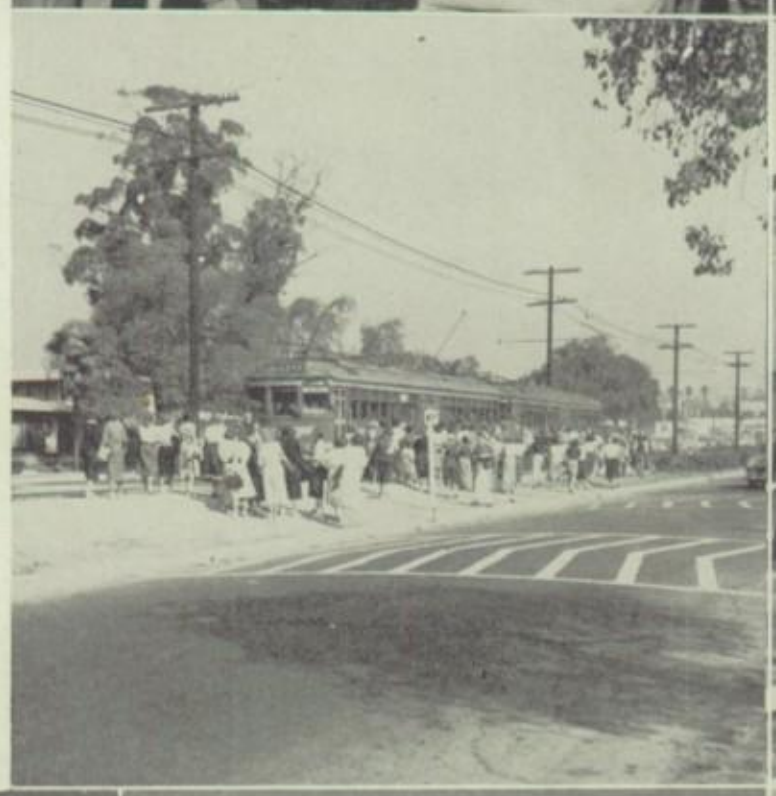
MIDDLE, RIGHT: Every Friday afternoon before the football game a group of girls decorate the goal posts.

BELOW, LEFT: The new seniors cheer as they proudly display their sweaters.

BELOW, MIDDLE: Sharon Heaton and Romita Rose do a cute Spanish dance for a Girls' League program.

BELOW, RIGHT: Early in the morning the Tigerettes can be seen practicing for the half time events.





The first dance of the school year was the stag dance, "Ice-Breaker," sponsored by the joint League.

The commission wanted to wish the towns-people a Merry Christmas from the school. So they made and put up the big sign in front of the school.

The most anticipated dance of the year is the commissioners dance in honor of the football queen and princesses.

LOWER, LEFT: In the spring the girls of the school all go on the Girls' League Picnic. Here a group is busily engaged in eating.

LOWER, RIGHT: After months of hard work all the science students enter their unusual and interesting projects in the Science Fair. In the foreground is Gretchen Koosman's "Molds From Soil."

Proving that high school students can be helpful to the community are some Tri-Hi-Y members. These girls are fixing letters for the Community Chest.

C. S. F. Life Members have earned at least three "1's" and one "2" each semester for four semesters. KNEELING: Hansen, Mortimer, Pennebaker, Hitzker, Leonardson, Hood, Bruce, Williams. STANDING: Halderman, Barnes, Renwick. Herdon, Seymour, Mammano, Maginnis, Wofford.

One of the most exciting times at school is campaign week. Long hours of putting up posters and of listening to speeches is climaxed by the balloting.

Jane Sturmans views a few of the posters before leaving to cast her vote.

The lucky winners and new commissioners are Paul Colwell, commissioner of interior; Gretchen Scholtz, commissioner of publicity; Dan Stringer, commissioner of athletics; Sarah Ballard, commissioner of activities; Hal Bahls, commissioner - general; Barbara Cobb, commissioner of correspondence; Ritchie White, commissioner of boys; Timmie Getchell, commissioner of girls; and Mike Marshall, commissioner of finance.
